THE MORTGAGE PROCESS: WHAT TO EXPECT

Review Financial Situation

- BUDGET ✓
- CALCULATE CLOSING COSTS ✓
- HOW MUCH YOU QUALIFY FOR VERSUS HOW MUCH YOU CAN AFFORD ✓
- REVIEW DOWNPAYMENT ✓
- UNDERSTAND HOMEBUYING PROCESS ✓

Typical Documents Requested (See Next Page)

- ✓ Letter of Employment
- ✓ Recent paystub
- ✓ Proof of downpayment
- ✓ MLS Listing and Signed offer to purchase

Submitting the Mortgage Application

- When you put an offer in on a property, please allow at least 7-10 business days for the financing condition
- Once your offer is accepted, (Congrats!), we will apply for financing for you.
- Once we receive a commitment from a Lender (Congrats again!), we will review your documents with your Lender and advise that you can waive your financing condition. (Please do not waive prior to speaking with us).

Sign-Up Appointment

We will set up an appointment for you to come in, review your options and sign your mortgage documents (can also be done by email). We will work with your lawyer to ensure a seamless, timely closing. Additionally, we will thoroughly review your file again prior to closing.

Lawyer Visit

Prior to your closing date you will meet with your lawyer to sign the finalized papers and review the closing process. Before this appointment you must ensure that the balance of your down payment funds are accessible (you will need to provide the lawyer with a Certified Cheque to cover the down payment and closing costs).

Closing Date

Congratulations! On the big day you will receive your keys and take possession of the house. It is important to have your Realtor or a third-party walk through the property to inspect that the condition is as agreed upon. Check for things like missing lights, curtain rods, etc, or property damage that was not disclosed. Welcome home!

KEY MORTGAGE DOCUMENTS

PROPERTIES OWNED / MORTGAGES / OTHER DEBTS

Since secured and unsecured debt has such an impact on qualification we need to ensure there are no surprises when qualifying someone.

Most debts will show on the credit bureau, but it is helpful to see recent statements for credit cards and lines of credit (secured and unsecured).

FOR OWNED PROPERTIES:

Recent mortgage statements to confirm property address, owners, balances, and payment.

Most recent property tax bill to show annual property taxes and that taxes are up-to-date

DOWNPAYMENT

In a CMHC-based mortgage, borrowers must prove they have a minimum of 5% down, plus 1.5% of the purchase price

SAVINGS / CASH

Must provide no less than 90 days bank transaction history showing their name and account number. Any deposits over \$1,000 will have to prove the source. If cash held outside a bank, unless the source of the cash can be proven through paperwork, cash must be deposited into an account and held for at least 90 days prior to the closing date.

RSP / GIC'S / INVESTMENTS

Must provide a statement evidencing the outstanding balance and transaction history for the last 90 days. A bank statement will also be required proving the deposit of those funds into the client's bank account no later than 15 days prior to closing.

GIFTED DOWN PAYMENT

A gift letter provided by the lender will have to be completed by the client and immediate relative. Then we must show the gift money deposited in the borrower's bank account no later than 15 days before closing.

SECURED LINES OF CREDIT

If down payment is coming from a secured line of credit, we will need a current statement on the amount available. Client will have to qualify and be approved to borrow from a secured line of credit as this is a debt repayment to be applied to the ratios subject to approval guidelines.

HOW DOES PURCHASE PLUS IMPROVEMENTS WORK?

You've found your "almost" dreamhome ...if you could renovate the kitchen it would be perfect! Here's how to get the funds for the renovation included in your mortgage:

HOW IT WORKS

- Get pre-approved with your Mortgage Professional
- Get an accepted offer on your "almost" dreamhome
- Send your Mortgage Professional a copy of the offer and detail the renovations you'd like to do
- Get quotes for the improvement work (FYI: some lenders require you to complete the work with the same vendors you got the quotes from).
- You will need to fund the improvements upfront (using savings or credit)
- Once the renovations are complete, you can contact your Mortgage Professional who will arrange for an appraiser to complete an inspection of the renovation or collect documents to fulfill lender requirements.
- Once the inspection or documents are approved by the lender, the money is then released to you.

EXAMPLE

You have an accepted offer on your dreamhome for \$250k and are putting 5% downpayment. The kitchen renovation will cost \$15k.

	PURCHASE	PURCHASE PLUS \$15K IMPROVEMENTS
HOME VALUE	\$250,000	\$265,000
DOWNPAYMENT (5%)	\$12,500	\$13,250
MONTHLY MORTGAGE PMT (ASSUMES 3% RATE)	\$1,169	\$1,239
DOWNPAYMENT (5%)	\$12,500	\$13,250

And that's how simple it is! You get a new \$15,000 kitchen for an increase in your monthly payment of only \$70 a month.

Increasingly, bank customers trying to refinance or sell their home are getting stuck with large mortgage penalties – why?

Banks use a 'special calculation' to calculate your mortgage penalty.

We compared the penalty amongst different lenders for the SAME MORTGAGE.

MORTGAGE PENALTY COMPARISON

Mortgage Amount			\$280,000
Mortgage Start Date			Apr-2014
Mortgage Contract rate			3.19%
CIBC	\$13,991	TD	\$10,465
SCOTIA	\$12,320	MCAP	\$ 4,760
BMO	\$11,760	First National	\$ 2,984
RBC	\$10,943	Street Capital	\$ 2,800

Source: Bank Websites, April 2017

The interest rate is unquestionably very important – but the terms and conditions of a mortgage can end up costing you thousands, while you are impacted by only a few hundred on the interest rate. For the same mortgage above, an increase of interest rate of 0.05% would cost you only \$432 over 5 years:

INTEREST RATE COMPARISON

Mortgage Rate	3.00%	3.05%
Monthly Payment	\$1,325.09	\$1,332.29
Pmt Increase		+\$7.20
Total 5yr Cost		+\$432

When you work with us, you can be assured that you get the best mortgage for YOU. We work for YOU, not for the lender. Our goal is to get you the lowest rate possible, but also the best terms and conditions so there are no surprises down the road.

Speak to us today to get the best mortgage for YOU.
